

A decorative border surrounds the text, featuring a large flower in the top-left corner, a vertical stem with leaves and flowers on the left, a vertical stem with flowers on the right, and a cluster of flowers at the bottom-left. A small illustration of a faerie with wings is in the top-right corner, and another is in the bottom-right corner. The border has a scalloped, hand-drawn appearance.

Sweet Pea Faerie

Magical Entertainment for Birthdays and Special Occasions

Invite Sweet Pea Faerie to your special gathering and see the smiles appear like magic. With rhyme and stories your child participates in a journey of the imagination.

Sprinkles of faerie dust, making wishes, and playing games are all part of the fun! Using techniques from yoga and dance, the children are active and happy.

Sweet Pea will customize her appearance to fit your holiday or theme. Birthday parties are especially fun, with songs and stories of birthday celebrations from other lands. For Christmas, Sweet Pea will come to your house on a mission to encourage children to take care of this beautiful Earth and celebrate in the Joy of giving in the magical season.

Most appropriate for ages 4 to adult.

Especially loved by young girls and boys up to ages 9.
